Subject: Show cause notice for de-affiliation of trades/units of Government & Private ITIs whose 100% seats are lying vacant from the last 3 years (2022 to 2024) - regarding

This is regarding updating of data pertaining to number of available seats in ITIs available in the NCVT-MIS/SIDH portal.

2. The NCVT-MIS portal is essential for managing the entire lifecycle of ITI trainees, from admission to certification. However, discrepancies have been found in the data, especially regarding the number of seats in the ITI ecosystem. Accurate and current information is crucial for various purposes, such as responding to Parliament questions, Parliament Standing committees, Cabinet Secretariat, PMO, etc.
3. In this connection, it has been observed that a large number of units in various Industrial Training Institutes (ITIs) had zero admissions from the session 2022 to 2024. These units are subject to de-affiliation as per the provisions outlined in the DGT letter #DGT-12/01/2018-TC (Part) dated 20.12.2018 (copy enclosed), which states that any trade or unit with zero admissions for two consecutive years will be de-affiliated.
4. It has been further observed that approximately 669 ITIs, with 4,718 units representing a seating capacity of around 99,196 have remained vacant without a single trainee being admitted for the past three years. These ITIs (list enclosed as Annexure-A) are now liable for de-affiliation in their entirety.

5. In the interest of fairness and adherence to the principles of natural justice, the Directorate General of Training (DGT) has decided to allow these 669 ITIs to submit any grievances they may have before de-affiliation. ITIs can submit grievances through the NIMI grievance portal (<https://nimionlineadmission.in/iti/GrievancePortal/register.php>), which will be active for 30 days from the date of issue of this notice. Grievances submitted in any other form or after the mentioned timeline will not be considered. Failure to raise a grievance within this period will be considered as an acceptance of the de-affiliation, and no further grievances will be entertained beyond the deadline.
6. Regarding grievance cases, after reviewing the received grievances, the DGT would conduct physical inspections, through the NIMI affiliation portal to assess the infrastructure, including buildings, tools, equipment, and working conditions. Based on these inspection reports, decisions regarding the continuation of admissions from the 2025/26 session will be made.

This is issued with the approval of the competent authority.

Yours faithfully

(Ishwar Singh)
Deputy Director General
